

END USER LICENSE AGREEMENT, TERMS OF SERVICE, AND PRIVACY POLICY**Last Updated: June 5, 2026**

This End User License Agreement, Terms of Service, and Privacy Policy ("Agreement") is a legally binding agreement between you ("User," "you," or "your") and CbyG Royals Arch, a Maryland, USA LLC ("Company," "we," "us," or "our"), governing your access to and use of the CbyG Royals Arch mobile application, website, software, artificial intelligence tools, and related services (collectively, the "Software"). CbyG Royals Arch LLC is a legally distinct entity from CbyG Royals LLC, and CbyG Royals LLC is completely indemnified from any legal action derived in association with CbyG Royals Arch LLC. Users agree not to assert claims against affiliated entities except to the extent required by applicable law.

BY DOWNLOADING, INSTALLING, ACCESSING, OR USING THE SOFTWARE, OR BY CHECKING THE BOX INDICATING ACCEPTANCE OF THIS AGREEMENT, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREE TO BE BOUND BY THIS AGREEMENT.

IF YOU DO NOT AGREE TO THIS AGREEMENT, DO NOT ACCESS OR USE THE SOFTWARE.

1. ELIGIBILITY

You represent and warrant that:

1. You are at least eighteen (18) years old or the age of majority in your jurisdiction;
2. You possess legal capacity to enter into this Agreement;
3. Any information you provide is truthful and accurate;
4. You will comply with all applicable laws and regulations while using the Software.

2. SOFTWARE DESCRIPTION

The Software utilizes photographs, videos, images, facial characteristics, user-provided information, and machine-learning technologies. A non-limiting purpose of this Software is to provide cosmetic and beauty-related recommendations, including but not limited to eyebrow makeup placement, shaping, styling, and cosmetic enhancement suggestions.

The Software:

- Is not a medical device;
- Does not provide medical advice;

- Does not diagnose medical conditions;
- Does not provide professional cosmetology, dermatological, or healthcare services.

Results are generated algorithmically and may not be suitable for every individual.

CbyG Royals Arch LLC reserves the right to update Software and/or this Agreement unilaterally at any time. CbyG Royals Arch LLC reserves the right to contact users regarding Software and/or this Agreement, and user's may have the right to opt-out of notices relating thereto. Company will provide reasonable notice of material changes before they become effective.

3. LICENSE GRANT

Subject to compliance with this Agreement, Company grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to:

- Download and install the Software;
- Access and use the Software for personal, non-commercial purposes.

No ownership rights are transferred to you.

4. RESTRICTIONS ON USE

4.1 Technical Restrictions

You shall not:

- Reverse engineer, decompile, disassemble, decode, or attempt to derive source code;
- Circumvent security measures;
- Interfere with Software functionality;
- Scrape, harvest, or extract data;
- Use automated bots without authorization;
- Introduce malware or malicious code;
- Perform penetration testing without written authorization.

4.2 Improper Conduct

You shall not use the Software to:

- Harass, intimidate, threaten, stalk, or abuse any person;

- Impersonate another person;
- Create misleading or deceptive content;
- Violate intellectual property rights;
- Defame individuals;
- Discriminate against protected classes;
- Engage in unlawful activities;
- Generate content promoting violence, self-harm, terrorism, hate speech, or criminal activity.

4.3 Facial Data Misuse

You shall not:

- Upload images or videos of another individual without legal authorization;
- Use the Software for surveillance purposes;
- Use the Software to identify individuals;
- Use the Software for facial recognition or biometric identification.

5. USER CONTENT

"User Content" includes all photographs, videos, images, comments, metadata, and information submitted through the Software. This video may be received from at least one or more of a camera, microphone, keyboard, or haptic input.

You represent and warrant that:

- You own or control all rights necessary to upload User Content;
- You possess all required permissions from any identifiable individuals appearing in User Content;
- Uploading User Content does not violate applicable laws.

6. INTELLECTUAL PROPERTY OWNERSHIP

6.1 Company Ownership

The Software and all associated rights are and shall remain the exclusive property of Company.

This includes:

- Source code;
- Object code;
- Algorithms;
- AI models;
- Databases;
- User interfaces;
- Trade secrets;
- Trademarks;
- Copyrights;
- Patents;
- Documentation;
- Derivative works.

6.2 Ownership of Generated Outputs

To the maximum extent permitted by law, all recommendations, analyses, cosmetic mappings, facial overlays, enhancement visualizations, reports, generated images, generated videos, derivative datasets, annotations, training datasets, model improvements, and other outputs generated through use of the Software are exclusively owned by Company.

User receives only a limited, revocable license to view and use such outputs for personal cosmetic purposes.

6.3 Feedback

Any suggestions, feedback, ideas, improvements, comments, or recommendations provided by User become Company property without compensation.

6.4 Assignment of Rights in User Content

To the maximum extent permitted by applicable law, User hereby irrevocably assigns, transfers, conveys, and grants to Company all worldwide right, title, and interest, whether now known or later developed, in and to:

- User Content;
- Derivative works of User Content;

- Metadata associated with User Content;
- Cosmetic analyses generated from User Content;
- Facial mapping information;
- Facial landmark datasets;
- Annotations;
- Generated outputs;
- Training datasets derived from User Content;
- Any intellectual property rights arising from User Content or its use within the Software.

Such assignment includes all copyrights, neighboring rights, database rights, trade secret rights, and all other proprietary rights recognized under any jurisdiction.

User agrees to execute any additional documents reasonably requested by Company to perfect, record, or enforce such assignment.

If User fails to execute such documents, User hereby appoints Company as User's attorney-in-fact solely for purposes of effectuating the foregoing assignment.

To the extent that a jurisdiction treats aspects as non-assignable property, a perpetual exclusive license is granted by the User.

6.5 Moral Rights Waiver

To the fullest extent permitted by applicable law, User irrevocably waives and agrees never to assert any moral rights, droit moral, attribution rights, integrity rights, publicity rights, or similar rights relating to User Content.

Where such rights cannot legally be waived, User agrees not to assert such rights against Company or its successors, assigns, licensees, affiliates, or customers.

6.6 Fallback Perpetual License

To the extent any assignment described in this Agreement is found unenforceable or ineffective under applicable law, User grants Company an exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid-up, transferable, sublicensable, and unrestricted license to:

- Use;
- Copy;
- Reproduce;
- Modify;

- Adapt;
- Translate;
- Create derivative works from;
- Publish;
- Display;
- Distribute;
- Commercialize;
- Train artificial intelligence systems upon;
- Analyze;
- Store; and
- Otherwise exploit

User Content and all associated data for any lawful purpose.

This license survives termination of the Agreement indefinitely.

7. AI TRAINING RIGHTS

To the maximum extent permitted by applicable law, User grants Company a perpetual, worldwide, irrevocable, transferable, sublicensable, royalty-free license to use User Content for:

- Algorithm training;
- Model refinement;
- Product improvement;
- Dataset creation;
- Statistical analysis;
- Research and development;
- Quality assurance;
- Fraud prevention;
- Commercialization activities.

Where applicable law requires separate consent for certain processing activities, Company will obtain such consent.

8. PRIVACY POLICY

8.1 Information Collected

We may collect:

Account Information

- Name;
- Username;
- Email address;
- Demographic credentials;
- Geographic credentials;
- Password credentials (stored in encrypted form).

Device Information

- Device identifiers;
- Operating system;
- Browser type;
- IP address;
- Usage analytics;
- Crash logs.

Facial and Visual Information

- Photographs;
- Videos;
- Facial landmarks;
- Cosmetic mapping data;
- Eyebrow placement analyses;
- Geometric measurements derived from submitted images.

Usage Information

- Session activity;

- Feature usage;
- Clickstream data;
- Interaction history.

8.2 How We Use Information

We may use collected information to:

- Provide Software functionality;
- Generate cosmetic recommendations;
- Improve algorithms;
- Detect fraud;
- Prevent abuse;
- Conduct analytics;
- Train machine-learning systems;
- Improve user experience;
- Commercialize;
- Enforce legal rights;
- Advertising and marketing activities;
- Licensing and commercialization activities;
- Sale, sharing, or exchange of information where permitted by law;
- Creation and monetization of datasets, analytics products, and artificial-intelligence training resources.

8.3 Disclosure, Sale, Sharing, and Commercialization of Information

Company may disclose, transfer, license, rent, lease, sell, monetize, share, exchange, provide, or otherwise make available personal information, User Content, deidentified information, aggregate information, analytics, derived data, biometric-derived data, model-training datasets, or other information to:

- Affiliates;
- Service providers;
- Contractors;
- Cloud hosting providers;
- Analytics providers;
- Advertising partners;
- Marketing partners;
- Data brokers;
- Commercial partners;
- Artificial intelligence developers;
- Research organizations;
- Investors;
- Acquirers;
- Successors;
- Government authorities;
- Other third parties as permitted by applicable law.

Such disclosures may occur for business purposes, commercial purposes, research purposes, advertising purposes, model-training purposes, product-development purposes, licensing purposes, monetization purposes, or other lawful purposes.

Where permitted by applicable law, Company reserves the right to disclose, sell, license, transfer, commercialize, or otherwise exchange personal information or other information for monetary consideration or other valuable consideration.

Nothing in this Agreement obligates Company to provide compensation to Users arising from any such disclosure, sale, licensing activity, monetization activity, commercialization activity, derivative dataset creation, artificial intelligence training activity, or similar use.

8.4 Security Measures

Company may implement commercially reasonable safeguards including:

- Encryption in transit;
- Encryption at rest where feasible;
- Access controls;
- Audit logging;
- Monitoring systems;
- Security testing.

No system is completely secure, and Company cannot guarantee absolute security.

8.5 Biometric Information Notice

Certain Software features may collect, generate, process, store, analyze, or derive biometric information, biometric identifiers, facial geometry information, facial landmarks, face templates, or similar information from videos, images, or other data uploaded by User.

Depending upon applicable law, such information may constitute:

- Biometric Identifiers;
- Biometric Information;
- Sensitive Personal Information;
- Special Category Personal Data;
- Sensitive Data.

User expressly acknowledges and consents to such processing.

8.6 Purpose of Collection

Biometric-related information may be collected and used for:

- Cosmetic analysis;
- Eyebrow mapping;
- Makeup recommendations;
- Facial feature measurements;
- Product development;
- Security;
- Fraud detection;
- Quality assurance;
- Algorithm training;
- Machine-learning development;
- Statistical analysis;
- Product improvement;
- Lawful commercial activities;
- Research and development.

8.7 Written Release

By accepting this Agreement and using the Software, User provides written consent and release for Company to collect, process, store, disclose, and use biometric-related information as described herein.

Such consent shall remain effective until withdrawn where withdrawal rights are required by law.

ILLINOIS BIOMETRIC INFORMATION PRIVACY ACT (BIPA)

8.8 Illinois Biometric Notice

For Illinois residents, Company provides the following disclosures pursuant to at least the Illinois Biometric Information Privacy Act, 740 ILCS 14/1 et seq.

Company may collect, capture, obtain, receive, store, or otherwise process:

- Facial geometry;
- Facial landmarks;
- Face measurements;
- Face templates;
- Related biometric information.

Such information may be used for the purposes described in this Agreement.

8.9 Illinois Retention Schedule

Unless a longer period is required by law, litigation hold, security obligations, or operational necessity, biometric information shall be permanently deleted upon the earliest of:

- (a) the initial purpose for collection being satisfied;
- (b) three (3) years after the User's last interaction with the Software; or
- (c) another period required by applicable law.

Company may retain deidentified or anonymized information indefinitely.

TEXAS BIOMETRIC PRIVACY DISCLOSURES

8.10 Texas Notice

For Texas residents, Company may capture biometric identifiers only with User consent and shall use reasonable care to protect such information.

Biometric identifiers shall not be sold, leased, or disclosed except as permitted by law, contractual necessity, business operations, user authorization, or legal obligation.

WASHINGTON BIOMETRIC DISCLOSURES

8.11 Washington State Notice

For Washington residents, Company provides notice that facial recognition technology, biometric identifiers, or biometric information may be collected and used for the purposes described in this Agreement.

User's acceptance of this Agreement constitutes consent where permitted by law.

CALIFORNIA PRIVACY DISCLOSURES

8.12 California Consumer Privacy Rights

For California residents, Company provides disclosures intended to satisfy at least applicable portions of:

- California Consumer Privacy Act (CCPA);
- California Privacy Rights Act (CPRA).

California residents may have rights to:

- Know what personal information is collected;
- Access personal information;
- Correct inaccuracies;
- Request deletion;
- Limit use of sensitive personal information;
- Receive information regarding disclosures.

8.13 Sensitive Personal Information

Facial images, biometric data, account credentials, precise geolocation (if collected), and certain usage data may constitute Sensitive Personal Information under California law.

Company may process such information for the purposes described in this Agreement.

8.13A Notice of Sale, Sharing, and Targeted Advertising

Depending upon applicable law, certain disclosures of information may constitute:

- A "Sale" of Personal Information;
- "Sharing" of Personal Information;
- Targeted Advertising;
- Cross-Context Behavioral Advertising;
- Profiling Activities;
- Processing for Commercial Purposes.

Company may engage in one or more of the foregoing activities.

Categories of information that may be sold, shared, disclosed, licensed, commercialized, or used for targeted advertising include:

- Identifiers;
- Account information;
- Device information;
- Internet activity information;
- Usage information;
- Geolocation information;
- Demographic information;
- User Content;
- Inferences derived from User activity;
- Cosmetic analyses;
- Facial mapping information;
- Facial landmark information;
- Biometric-derived information to the extent permitted by law;
- Analytics data;
- Marketing data;
- Other information described in this Agreement.

Company does not knowingly sell or share personal information of children where prohibited by applicable law.

COLORADO, VIRGINIA, CONNECTICUT, UTAH, AND OTHER U.S. STATE PRIVACY RIGHTS

8.14 Consumer Privacy Rights

Residents of states providing consumer privacy rights may possess rights including:

- Access;

- Correction;
- Deletion;
- Portability;
- Opt-out of certain profiling activities;
- Opt-out of targeted advertising;
- Appeal denial of privacy requests.

Users may submit requests through the contact methods identified in this Agreement.

Company reserves the right to verify identity before responding.

8.14A Opt-out Rights for Sales, Sharing, Profiling, and Targeted Advertising

Residents of jurisdictions providing privacy rights may possess the right to:

- Opt out of the sale of personal information;
- Opt out of sharing of personal information;
- Opt out of targeted advertising;
- Opt out of cross-context behavioral advertising;
- Opt out of profiling in furtherance of decisions producing legal or similarly significant effects;
- Withdraw consent where required by law.

Users may submit opt-out requests through the contact methods identified in this Agreement or through any privacy controls, settings, or mechanisms made available by Company.

Company may require reasonable verification before honoring certain requests.

Company shall not discriminate against Users solely for exercising privacy rights provided under applicable law, except to the extent permitted by law.

Where required by applicable law, Company shall recognize and process valid universal opt-out mechanisms, browser-based privacy signals, or similar consumer preference technologies.

EUROPEAN UNION AND EUROPEAN ECONOMIC AREA

8.15 GDPR Disclosures

For individuals located in the European Union or European Economic Area, Company may act as one or more of Data Controller or Data Processor, depending upon the specific processing activity.

Facial images, biometric data, and facial geometry may constitute Special Category Personal Data under Article 9 of the General Data Protection Regulation ("GDPR"). For processing of biometric data constituting Special Category Personal Data, Company generally relies upon the User's explicit consent and, where applicable, additional lawful bases recognized under Article 9 GDPR.

Processing may occur based upon:

- Explicit consent;
- Contractual necessity;
- Legitimate interests;
- Legal obligations;
- Other lawful bases recognized under GDPR.

8.16 International Transfers

User acknowledges that personal information may be transferred to and processed in the United States or other jurisdictions.

Where required, Company shall implement:

- Standard Contractual Clauses;
- Adequacy mechanisms;
- Other lawful transfer safeguards.

8.17 GDPR Rights

Subject to legal limitations, data subjects may possess rights to:

- Access;
- Rectification;
- Erasure;
- Restriction;
- Portability;
- Objection;
- Withdrawal of consent.

Withdrawal of consent shall not affect processing conducted prior to withdrawal.

Nothing in this Agreement shall be interpreted to waive, limit, or eliminate any non-waivable privacy rights provided by applicable law.

Explicit consent is relied upon for biometric processing where required by GDPR Article 9.

UNITED KINGDOM PRIVACY DISCLOSURES

8.18 UK GDPR

For individuals located within the United Kingdom, Company shall process personal data in accordance with the UK General Data Protection Regulation and applicable data protection laws.

Users may exercise rights substantially similar to those provided under GDPR.

AUTOMATED DECISION-MAKING

8.19 Automated Processing

The Software utilizes automated systems, artificial intelligence models, machine-learning systems, and algorithmic analysis to generate recommendations.

Users acknowledge that:

- Recommendations are generated automatically;
- Results may not always be accurate;
- Human review may not occur;
- Cosmetic recommendations should be independently evaluated.

The Software does not make legally binding decisions concerning employment, credit, housing, insurance, healthcare, or similar protected matters.

CHILDREN'S PRIVACY

8.20 Children's Data

The Software is not intended for individuals under thirteen (13) years of age, or any higher minimum age required by applicable law.

Company does not knowingly collect personal information from children.

If Company becomes aware of unauthorized collection of children's information, Company may delete such information and terminate associated accounts.

DATA SECURITY AND BREACH RESPONSE

8.21 Security Program

Company maintains administrative, technical, and physical safeguards designed to protect personal information, biometric information, and sensitive personal information.

Such safeguards may include:

- Encryption;
- Multi-factor authentication;
- Role-based access controls;
- Logging and monitoring;
- Vulnerability assessments;
- Incident response procedures.

8.22 Data Breach Notification

In the event of a security incident involving personal information, Company may provide notices consistent with applicable law and regulatory requirements.

No provision of this Agreement shall be interpreted as guaranteeing protection from all security incidents.

9. DATA RETENTION POLICY

9.1 Active Accounts

Personal information may be retained while an account remains active.

9.2 Uploaded Photos and Videos

Unless otherwise required by law or consented to by User:

- Original uploads may be retained after upload in accordance with applicable law based on litigation, fraud-prevention, audit, and product-improvement requirements;
- Processed outputs may be retained indefinitely for business operations, legal compliance, and model improvement in accordance with applicable law.

9.3 Account Deletion Requests

Upon verified account deletion request:

- Personal account identifiers will be deleted or anonymized within one hundred eighty (180) days where commercially feasible;
- Backup systems may retain copies for up to one (1) year;
- Information incorporated into aggregate analytics, model training, security systems, or derivative datasets may be retained indefinitely, and may be in deidentified or aggregated form.

9.4 Legal Retention

Company may retain information longer when reasonably necessary for:

- Litigation;
 - Regulatory compliance;
 - Audits;
 - Fraud prevention;
 - Enforcement of this Agreement.
-

10. USER RIGHTS

Subject to applicable law, users may request:

- Access to personal information;
- Correction of inaccuracies;
- Deletion of eligible information;
- Data portability where required by law.

Verification may be required before processing requests. Deletion rights do not apply to deidentified information, trained model parameters, aggregate analytics, or information retained pursuant to legal obligations.

11. DISCLAIMERS

THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE."

COMPANY DISCLAIMS ALL WARRANTIES INCLUDING:

- MERCHANTABILITY;
- FITNESS FOR A PARTICULAR PURPOSE;

- NON-INFRINGEMENT;
- ACCURACY;
- RELIABILITY;
- AVAILABILITY.

COMPANY DOES NOT GUARANTEE:

- Cosmetic results;
- Accuracy of recommendations;
- User satisfaction;
- Continuous operation.

12. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY LAW, COMPANY SHALL NOT BE LIABLE FOR:

- INDIRECT DAMAGES;
- INCIDENTAL DAMAGES;
- CONSEQUENTIAL DAMAGES;
- SPECIAL DAMAGES;
- EXEMPLARY DAMAGES;
- LOST PROFITS;
- LOST DATA;
- BUSINESS INTERRUPTION.

COMPANY'S TOTAL LIABILITY SHALL NOT EXCEED THE GREATER OF:

(A) ONE HUNDRED U.S. DOLLARS (\$100); OR

(B) THE AMOUNT PAID BY USER TO COMPANY DURING THE PRECEDING TWELVE (12) MONTHS.

13. INDEMNIFICATION

User shall defend, indemnify, and hold harmless Company and its officers, directors, employees, affiliates, and agents from claims arising from:

- User Content;
 - Violation of this Agreement;
 - Violation of law;
 - Infringement of third-party rights.
-

14. TERMINATION

Company may suspend or terminate access immediately for:

- Violation of this Agreement;
- Fraudulent activity;
- Security concerns;
- Legal compliance obligations.

Upon termination, all licenses granted herein by the company to the user automatically terminate.

15. ARBITRATION AGREEMENT

PLEASE READ THIS SECTION CAREFULLY.

15.1 Mandatory Arbitration

Any dispute arising out of or relating to this Agreement, the Software, privacy practices, intellectual property rights, or use of the Software shall be resolved exclusively through binding arbitration.

15.2 Arbitration Rules

Arbitration shall be administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules. To the extent that the AAA refuses administration under Commercial Arbitration Rules, Company may elect that one or more AAA Consumer Arbitration Rules govern. Company reserves the right to elect that Consumer Arbitration Rules will apply for consumer users, and Commercial Arbitration Rules will apply for business users.

15.3 Venue

The exclusive seat and venue of arbitration shall be:

Baltimore, Maryland, United States.

15.4 Governing Law

This Agreement shall be governed by the laws of the State of Maryland, excluding conflict-of-law principles.

15.5 Waiver of Jury Trial

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY.

15.6 Class Action Waiver

ALL CLAIMS SHALL BE BROUGHT ONLY IN AN INDIVIDUAL CAPACITY.

NO CLASS ACTIONS, MASS ARBITRATIONS, COLLECTIVE ACTIONS, OR REPRESENTATIVE ACTIONS SHALL BE PERMITTED. IF CLASS-ACTION WAIVER IS INVALID, ARBITRATION PROVISION MAY BE VOID.

15.7 Injunctive Relief

Company may seek temporary, preliminary, or permanent injunctive relief in any court of competent jurisdiction to protect intellectual property, confidential information, or security interests.

16. EXPORT CONTROLS

User shall comply with all applicable export control laws and sanctions regulations.

17. CHANGES TO THIS AGREEMENT

Company may modify this Agreement at any time.

Continued use of the Software following updates constitutes acceptance of revised terms.

18. SEVERABILITY

If any provision is held unenforceable, remaining provisions shall remain in full force and effect.

19. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between User and Company concerning the Software and supersedes all prior agreements and understandings.

20. CONTACT INFORMATION

CbyG Royals Arch, LLC

5000 THAYER CTR
OAKLAND MD 21550

[EMAIL]

[PHONE]

By clicking "I Agree," creating an account, uploading photographs or videos, or otherwise using the Software, you acknowledge that you have read, understood, and agree to be legally bound by this Agreement.

21. COPYRIGHT INFRINGEMENT POLICY (DIGITAL MILLENNIUM COPYRIGHT ACT)

21.1 Respect for Intellectual Property Rights

Company respects the intellectual property rights of others and expects all Users to do the same. Users shall not upload, submit, transmit, display, distribute, or otherwise make available through the Software any content that infringes, misappropriates, or violates any copyright, trademark, trade secret, patent, publicity right, privacy right, or other proprietary right of any person or entity.

21.2 DMCA Designated Agent

Company has adopted and implemented a policy intended to comply with the Digital Millennium Copyright Act, 17 U.S.C. § 512 ("DMCA").

Copyright owners who believe that content available through the Software infringes their copyrights may submit a written notification to Company's designated copyright agent at:

DMCA Agent

[COMPANY NAME]

[ADDRESS]

[EMAIL ADDRESS]

[PHONE NUMBER]

Company may update the foregoing contact information from time to time. Users are encouraged to verify current contact information before submitting any notice.

21.3 Requirements for a DMCA Takedown Notice

To be effective under the DMCA, a copyright infringement notification should include substantially the following information:

- (a) a physical or electronic signature of the copyright owner or a person authorized to act on the owner's behalf;
- (b) identification of the copyrighted work claimed to have been infringed;
- (c) identification of the allegedly infringing material and information reasonably sufficient to permit Company to locate such material;
- (d) contact information sufficient to permit Company to contact the complaining party, including name, address, telephone number, and email address;
- (e) a statement that the complaining party has a good-faith belief that use of the material is not authorized by the copyright owner, its agent, or the law; and
- (f) a statement that the information in the notification is accurate and, under penalty of perjury, that the complaining party is authorized to act on behalf of the copyright owner.

21.4 Counter-Notification Procedure

If Company removes or disables access to material in response to a copyright infringement notification, the affected User may submit a counter-notification containing information required by applicable law, including 17 U.S.C. § 512(g).

Upon receipt of a valid counter-notification, Company may restore the material in accordance with the DMCA unless the complaining party files an action seeking a court order restraining the allegedly infringing activity.

21.5 Repeat Infringer Policy

Company maintains and reasonably implements a policy providing for the termination, in appropriate circumstances and at Company's sole discretion, of Users who are determined to be repeat infringers of copyrights or other intellectual property rights.

Without limiting the foregoing, Company may suspend, restrict, remove content from, or permanently terminate accounts associated with repeated infringement claims, repeated violations of intellectual property rights, abusive counter-notifications, or other conduct indicating a pattern of infringement.

21.6 Standard Technical Measures

Company shall accommodate and not interfere with standard technical measures used by copyright owners to identify or protect copyrighted works when required by applicable law.

21.7 No Determination of Infringement

Company reserves the right to remove, disable access to, investigate, or preserve content alleged to infringe intellectual property rights without admitting liability, conceding infringement, or making any legal determination regarding ownership or infringement.

21.8 Reservation of Rights

Nothing in this Section shall limit Company's right to pursue any other remedy available under applicable law or equity with respect to actual or alleged intellectual property infringement.
